MAY 18 1956

Mr. Conrad Wirth
Director
National Park Service
Department of the Interior
Washington 25, D. C.

Dear Mr. Wirth:

The May 4 and May 11, 1956 letters from Mr. Goggin and Mr. Price, respectively, to Mr. Dulles, confirmed the conclusions reached at a meeting on April 30, 1956 among representatives of the National Park Service, the National Capital Planning Commission and this Agency. The estimate of costs and contract award dates for the construction of the various phases of the George Washington Memorial Parkway from Spout Run to Langley, Virginia and the breakdown of estimated expenditures by object classification were also enclosed.

We have completed our budget presentation which includes the above material and sincerely appreciate the cooperation and assistance we are receiving from your Service.

I look forward to our continuing association during the construction of the Parkway and our new building.

Sincerely,

151
L. E. White
Deputy Director
